First
half year free
for new members

For more than 50 years we've represented the interests of professionals in chemical and technical industries such as DSM, SABIC, Arlanxeo, Stamicarbon, OCI, Sitech, Fibrant, Anqore, Borealis and Centriant. As a member, you get access to our legal and personal services. What we do for you, we do with great commitment, knowledge and experience.

We're here for you at every stage of your career.

Benefits of membership

Membership has great advantages. Even when you're young and don't yet feel an immediate need for job security or information. Our extensive network is available for tips and advice when you're planning your next career move. And if required, our labor lawyer offers support in negotiating individual employment contracts.

So don't wait for your first burn-out, or for your company to start reorganizing. Membership fees are low, and, if required, we can supply a certificate for the tax authorities.

The first half year is free for new members.

What can we do for you?

We have a great range of knowledge and experience influencing collective terms of employment and the pension agreements of large employers.

As a member you're entitled to:

- Advice and mediation on topics including career changes, assignments abroad, starting your own company and early retirement.
- Advice about your contract, job evaluation, employment conditions and pension.
- Knowledge sharing and network meetings.
- Legal advice, legal services and mediation.

Membership fee: € 156,- per jaar, **first half year free for new members.**

If you are interested send us a mails contact@synergo-vhp.nl or call +31 40 – 211 39 00. You can also subscribe as a member online via synergo-vhp.nl.

Network

As a network, we focus on knowledge exchange, recognition and support. We regularly organize events with themes that can influence your career.

You are free to use our extensive network to plan your next career move or to exchange experiences and tips.
